(1)

Order - No 4674 Ed dy 21/3/04

Edn
1360f1903-4
Secret(1)

The Government observe that the Inspector General of Education who was asked on several occasions to submit proposals for extending the course of agricultural training to the teachers undergoing training in the normal schools has not yet done so It is essential that their knowledge should become wider and more practical if it is to be of benefit to their pupils when they return to their schools The Inspector General is requested to submit his proposals to Government without further delay in the matter

10/3/04

2 His attention is also drawn to the remarks contained in the Resolution of last year regarding the introduction of school-gardens and the teaching of some of the handicrafts to the students of the schools and Colleges It is understood that at present there is a carpentry class in connection with the High School at Bassein, but the Government would like that such classes are attached to the other High Schools and Colleges in the State The Inspector of Schools, Burma is requested to submit his proposals on these subjects also There is no need to elaborate at once a programme on a large scale Every school need not be provided with a garden, nor

every High School and College with a carpentry class at once It is enough if Mr Bhabha formulates a scheme which will enable a tentative beginning being made and admit of full development in the course of the next few years It is believed that in the Central Provinces, many of the primary and other schools possess small farms attached to them, which are worked by the boys under the direction of their masters, and Mr Bhabha is requested to consider whether they may be taken as models for Mysore In any case, Mr Bhabha is requested to submit his proposals before the end of the current month
